STUDENT LIFE

The sun rising and the alarm clock ringing are the first two significant signs of the start of a new day.

Five days a week the alarms seem to wake us much too early, but, in fact, they awake us in just enough time to allow us to get dressed and dash—either for a ride or for our riders.

We more or less tend to make a game of seeing who can beat whom to school and, consequently, to the "paved" parking lot.

From there the majority of us troop to the cafeteria to talk with friends and maybe even catch a quick breakfast before homeroom. When the first bell rings at 8:10 we start for our homerooms and for a day that may hold anything in store for us.

Lunch brings a well-welcomed break for some—a rush on unfinished homework for others. For all it brings announcements from Mr. Botney, a peddling of anything from lollipops and pretzels to sweat and T-shirts, and a chance to get together with our friends. It is a time for all to gain nourishment and gather steam to continue the rest of the afternoon.

## *Our Taskmasters*

### Teachers; Students; Equipment; Co-operation

All of us are here for a purpose. That purpose is to further our education. It matters not which way we are headed after high school for Forest Hill is willing and able to prepare us for all directions. We have a high school of a great variety of curriculum and teaching methods.

They may be preparing us for college, for technical fields, or for immediate employment. It matters not which, for it is in these classrooms and from these teachers that we are learning our skills and building our self-confidence to help us face the days following those few days here at Forest Hill.

After school hours may at times seem more active than school hours themselves.

Some of us run for our cars or for our ride home. Then we go to our jobs or get right on our homework or even help our mothers(?).

After school hours, however, are very important to the overall school life. All club activities, be they interest, scholastic, or service, occur during this time. Also, and most important, all FOREST HILL FALCONS practice their respective sports during these after hours. Our football team starts practicing weeks before school has even opened to ready themselves for a hard football season. Following closely, the basketball squad works out on their highly specialized drills. The list for sports goes on and on, and all participants put in hours of practice—for practice makes perfect.

## Touchdown

The Miss Touchdown contest this year was opened to all three classes at FOREST HILL. A club may sponsor a girl or the girl may sponsor herself. The object of the contest was to sell the season football tickets, the top three contestants constituting the Touchdown Court. This year the court consisted of: Miss Linda Sapp representing the Lionettes, Miss Donna Hiers representing the Jr. Exchangettes, and Miss Darden Kettler representing the Keyettes.

Football season is an exciting time for any true Falcon. The pep rallies held the night before or the afternoon of the game, set the stage for the game that night, making us all take an active part. A night pep rally usually paved the way for a beautiful bonfire, like the one the Exchange Club sponsored.

Then there were the nights of the game. First the impressive entrance of the Falcon football team and the cheers of the crowd as a show of full support. Next the National Anthem was played and the flag raised. Finally the game was started and both teams worked their hardest; the crowds, led by the cheerleaders, worked almost as hard cheering and screaming in the stands.

The half-time activities were also always something great. So with our band, majorettes, cheerleaders, team, and especially the crowd of supporters Forest Hill football season was an exciting and most impressive one.

# Homecoming

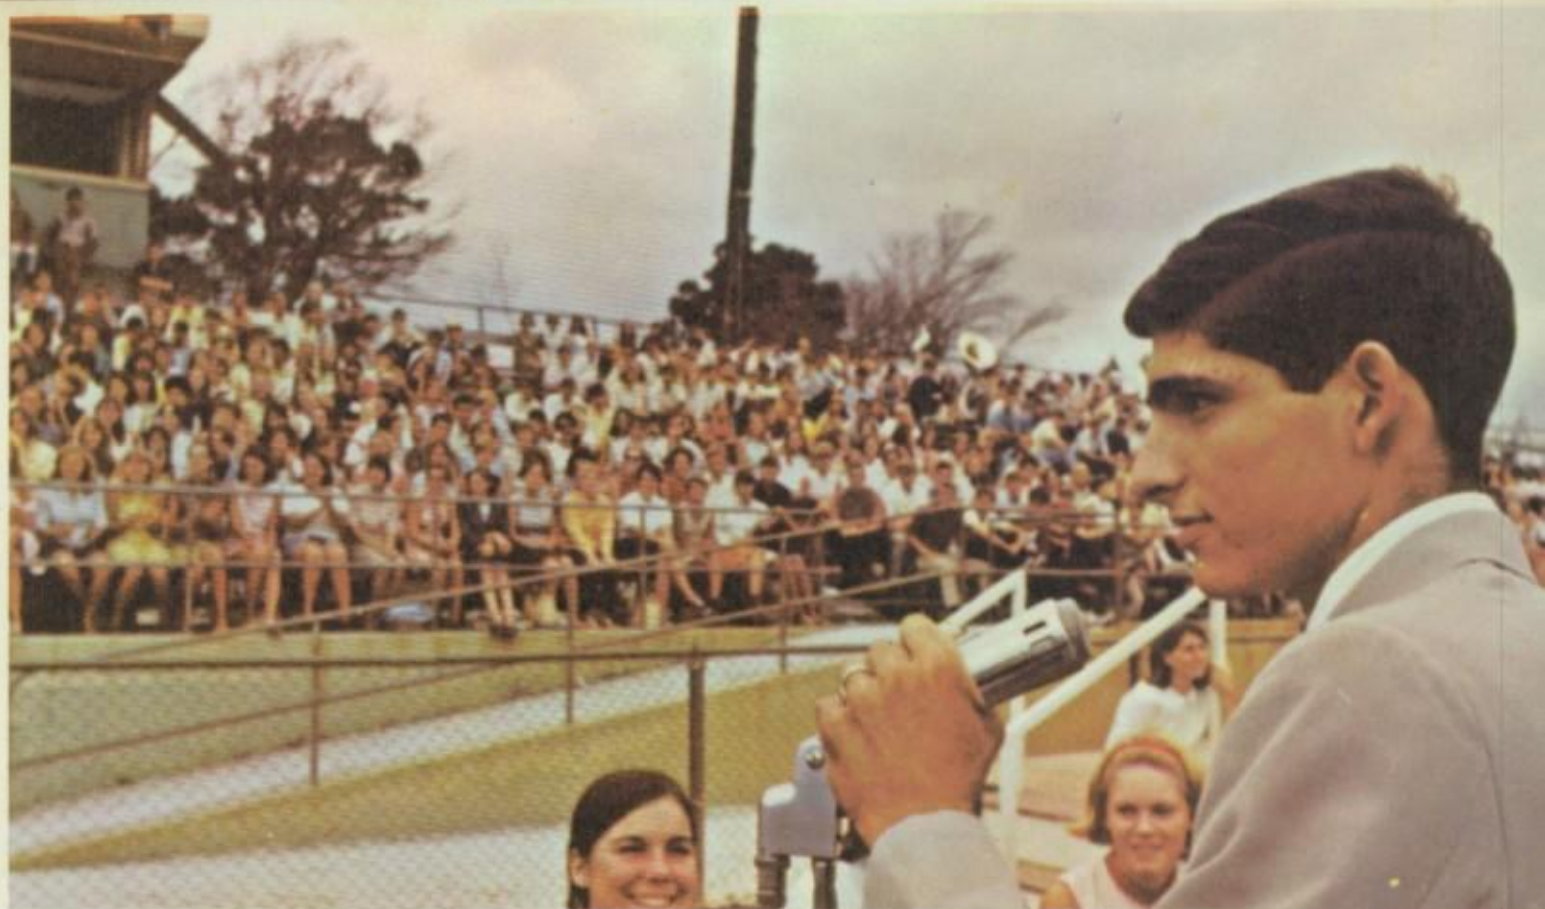

*Richard Razook*

## THE MAN BEHIND IT ALL

We, the student body, give this tribute to Richard Razook as our token of appreciation for all his hard work on Homecoming.

We feel Richard's leadership was the keystone in making our Homecoming a complete success.

1967

Homecoming 1967—a crowning glory for Sylvia Johnson and the Class of 1968.

The festivities started, as always, Skit Night. Held the eve of the game, the event began an hour earlier than in former years due to the wide participation of clubs. Taking first place honors was the Z Club with "Puff, the Magic Dragon." National Thespians' second-place skit was a take-off on "the girl, the villain, and the hero" story. The Lionettes captured third spot, telling their tale with a "little girl" narrator and real-live people.

From the Gym everyone rushed outside to the huge bonfire and pep rally. Enthusiastic cheerleaders sparked the crowd's excitement.

Homecoming day, itself, began with the painting of the field, putting up ground displays, and bringing in the beautifully decorated floats.

Following fifth hour, the student body and faculty headed for the field for the pep rally which revealed the colorful parade of floats and spiritmobiles.

Finally—the long anticipated night came. A parade of floats preceded the game and homecoming corsages were sold. During half-time, dozens of helium-filled balloons were released.

Then, as a hush fell across the Forest Hill stands—Richard Razook announced the 1967 Homecoming Queen, Sylvia Johnson, and reported the names of the winning floats. Key-Keyette with "Kenya" took first place; the Lionettes' "France" placed second, and the GAA's "Mexico" came in third.

After the coronation of Queen Sylvia by Miss Mary Lou Sparks, '66 Homecoming Queen, the game got underway once again.

The football team played an especially great game Homecoming night. Their hard determination and fine playing won the game against Dan McCarthy, 20-6.

After the game, Queen Sylvia reigned over the Senior Class-sponsored dance in the cafeteria. Thus ended the 1967 Homecoming festivities—the best Forest Hill ever had—due to the combined efforts of the clubs, the student body, the faculty, the football team, and the Senior Class.

On the morning of November 3, the day of Homecoming, the entire student body voted and chose Sylvia Johnson as their 1967 Homecoming Queen. She was crowned during the half time ceremonies of the Homecoming game.

So ends our football season but . . .  
Our spirit continues in

## *Basketball*

Basketball season, coming all too fast, barely gave the students time to relax from the tensions brought on by football. But, as always, they were there rousing their team to victory.

Our boys played exciting games and worked their hardest to show us, the spectators, a good game.

The games in our gym were fun, but the away games were twice the fun as the trip to and from caused much excitement.

As the basketball season came to an end, it brought us closer to the end of another year. For the seniors, their last, but the memories of these games, as well as football, track, swimming, and all the others, will remain with us forever.

The assembly schedule here at Forest Hill is one of constructive information, one of musical appreciation, and one of pure enjoyment.

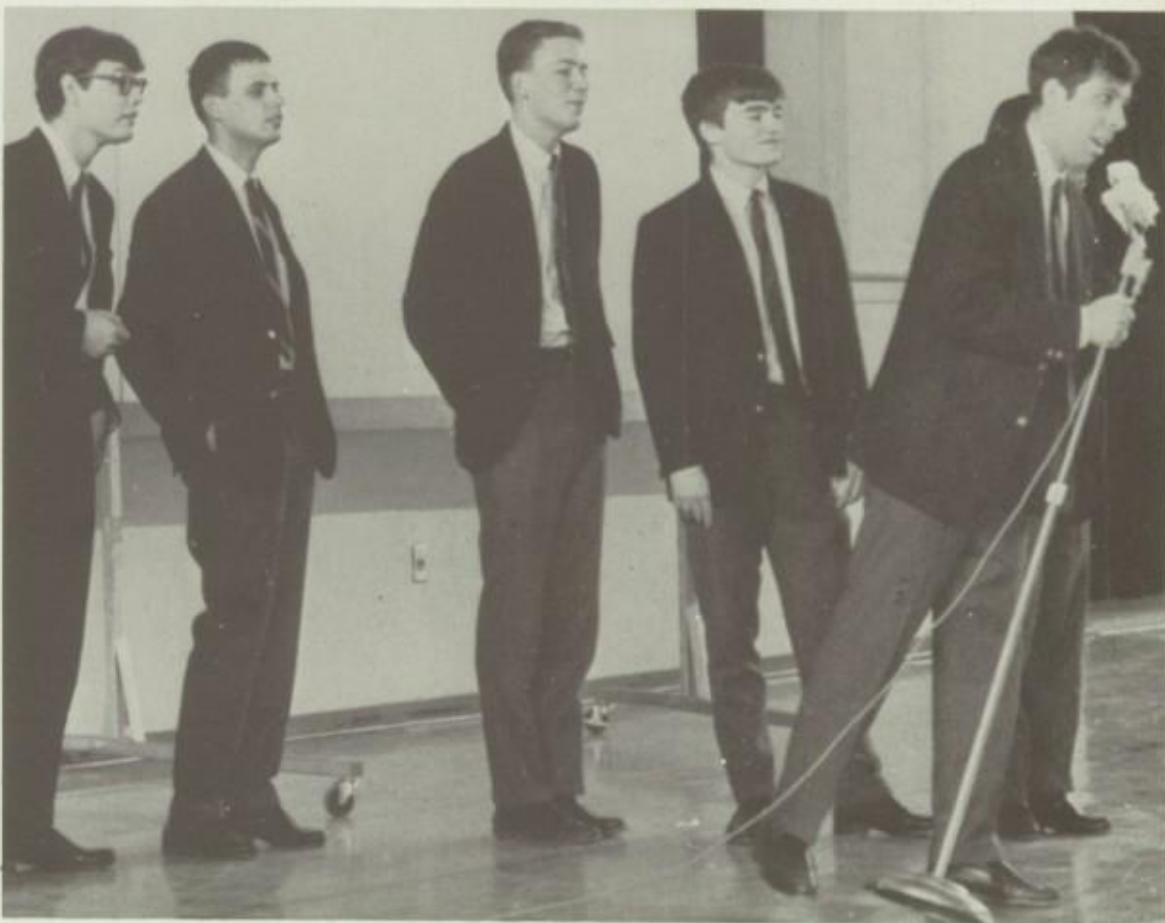

We start our year by an assembly on rules and regulations. At this assembly, the new students are informed and returning students are re-informed on all the procedures from leaving school grounds when ill to how and where to park your car. The students are also introduced to the teachers at this time.

The ICC and the "what to wear" assemblies are two strictly informative hours.

A few of our musical appreciation assemblies are the Thanksgiving, Christmas, Easter, and the band district contest assemblies, put on by our Falcon Chorus and Falcon Band. A couple of the musical assemblies put on by outside groups this year were the MIT Chorale Group and the University of Miami Band programs.

The visiting of the inmates, the teacher appreciation assembly, the National Honor Society assembly, the awards assembly, and the Exchange Club Boy and Girl of the Year assembly all may come under the title of pure enjoyment although they may be informative also.

All the assemblies, no matter what their content, are a distinctive part of our student life.

## *Weekends*

When the last bell of the day rings on the last day of the week we all scatter and hence, start our weekend. Friday nights are reserved for games, be it football or basketball. After the game, if there isn't a dance, there is a wild chase to the favorite of the moment eating place—be it Shakey's or Litchfield's.

Saturdays are prone to be beach days. Surfers and sun lovers alike flock to the local beaches for a day of relaxing and having fun.

Saturday night is more or less a reserved night for dating. This can range from playing pool or watching a movie to the old favorite "partying."

Certain times of the year there are "special attractions" to draw the crowds. Some of these would be the circus, the fair, and events at the auditorium.

Now and then a trip to the Fort Lauderdale scene is added to the active teen's schedule.

An the way around, there are many possibilities for a full, fun weekend for all.

## *Graduation*

For three years we have spent the majority of our lives in halls and classrooms and with teachers who have devoted their lives to building minds with blocks of knowledge.

The moment long awaited by every Forest Hill student is graduation. Every Senior experiences unique and mixed emotions during the ceremonies themselves and during the long week preceding the climax of our high school years.

*SPORTS*

Mr. Robert B. Riggs

The victory tradition did not happen to Forest Hill merely by chance. This reputation for having victorious teams and outstanding athletes was built through hard work and determination—of coaches and of the athletes alike.

Symbol of the victory tradition at Forest Hill is Mr. Robert B. Riggs, former football coach and presently Forest Hill's Athletic Director. Mr. Riggs has continuously waged a vigorous battle to build a solid athletic department and to develop winning teams in all sports areas.

Not only an active leader at Forest Hill, Mr. Riggs serves his community as well. He is the current president of the Palm Beach Coaches Association, Chairman of the Athletic Directors of the Suncoast Conference Eastern Division, Special Events Chairman for the CTA, and a Mason.

A tip of the hat and thanks to a man who has helped make Forest Hill what it is today!

A select group of men remain in the background when Forest Hill tastes victory. Only in defeat are these men noticed.

The group of men to whom I am referring is the coaching staff of Forest Hill High School. These are the men who are forgotten, the men who give so much of their time and knowledge to insuring the success of Forest Hill's athletics.

Few people realize how much time is put into the building of successful teams. The only reward these devoted people receive is seeing their efforts turned into victory on the athletic field. Without these men, a successful athletic program could not be a reality.

Forest Hill Coaches: *Seated*—Mr. Andrew G. Botney, Swimming; Mr. Thomas E. Cross, Varsity Basketball; Mr. Robert B. Riggs, Athletic Director and Golf Coach; Mr. Jerry J. Jacobs, Head Football Coach; and Mr. Frank L. Springer, Tennis and Varsity Football Backfield Coach. *Standing*—Mr. James D. Heaton, Baseball and JV Football Coach; Mr. Jerry Wayne Harden, JV Football and JV Basketball; Mr. James H. Nicholson, Varsity Football End Coach; and Mr. Abner D. Bigbie, Track and Varsity Football Line Coach.

The trophy case located at the entrance to the Gym is always a pleasing sight to Forest Hill admirers.

During the past nine years, Forest Hill has fared well in athletic contests, winning some fifty Suncoast Conference championships.

The 1967 season was an enjoyable one for followers of the football team. Forest Hill, recording a 6-3-1 season, won both the Homecoming game and the Palm Beach game for the first time in the school's brief history. These victories were made possible through the efforts of Head Coach Jerry Jacobs, End Coach Jim Nicholson, Line Coach Abner Bigbie,

## Season: 6-3-1

### FOREST HILL 20 JOHN I. LEONARD 0

The Falcons started the season by defeating the Lancers behind the strong passing attack led by Ken Stone. The Falcons scored 3 touchdowns in keeping their unbeaten record against Leonard. Due to his outstanding performance, Ken Stone was selected as the WEAT-TV "Athlete of the Week."

### FOREST HILL 24 BELLE GLADE 7

Despite 208 yards lost due to fumbles and penalties, Forest Hill's powerful offense rolled over Belle Glade, 24-7. It was the Falcons' third win in a row over the Golden Rams. The win enabled Forest Hill to remain undefeated.

### FOREST HILL 7 SEACREST 33

Seacrest simply over-powered the Falcons to record a 33-7 win. The Seahawks, who were undefeated this year, wound up as the Suncoast Conference champions. The loss was the first of the season for the Falcons and gave them an 0-1 record in conference play.

### FOREST HILL 7 VERO BEACH 7

Ron Ratliff picked off a Vero Beach pass in the end zone with 26 seconds remaining in the game to halt an Indian drive and preserve a 7-7 tie. Ratliff caught a Ken Stone pass in the end zone to score the Falcons' lone touchdown. The tie gave Forest Hill a 2-1-1 record for the year.

### FOREST HILL 33 NORTH SHORE 6

The Falcons' attack was sluggish until the Mustangs scored late in the first period to close the gap to 7-6. This fired up the Falcons to the extent of breaking the school record for touchdowns in one quarter. The Falcons hit pay dirt four times in the second period in less than 4 minutes. Once again, Ken Stone led the attack. Stoney threw 3 TD passes, while Robbie Giardino scored the other touchdown.

#### FOREST HILL 14 LAKE WORTH 20

The Falcons dropped their second game of the year in a closely fought battle at Kettler Field. Robbie Giardino returned a Trojan kickoff 69 yards to the Lake Worth 19. Seconds later Ken Stone threw the first of two TD passes to Terry Mock. The loss left the Falcons 0-2-1 in conference play and 3-2-1 overall.

#### FOREST HILL 27 RIVIERA BEACH 12

Robbie Giardino scored 3 touchdowns to lead the Falcons to their first Suncoast Conference victory. Ken Stone fired a 26 yard pass to Joe Wade for the other touchdown in the 27-12 win. Ron Ratliff made an 87 yard run to highlight the Falcons' offensive outburst. The defensive team turned in another fine performance. Ron Ratliff won the "Athlete of the Week" Award.

#### FOREST HILL 20 DAN McCARTY 6

Forest Hill, led by Ken Stone, won its second Homecoming game in the school's history. "Stoney" scored on runs of 24 and 6 yards. The third TD came on a Ken Stone to Wayne Stowers scoring pass. The Falcons racked up 323 yards on offense. Miss Sylvia Johnson was crowned Homecoming Queen at half-time.

#### FOREST HILL 0 JUPITER 13

An inspired underdog Jupiter football team caught the Falcons off guard after the big Homecoming win. The Falcons just could not get started, although Joe Wade played an exceptional ball game. The loss was the only road game defeat of the year and was the only time this season that the Falcons did not score.

#### FOREST HILL 21 PALM BEACH 7

Forest Hill played the role of the spoiler as the Falcons ruined the Wildcats' Homecoming by a score of 21-7. The win marked the first time in Forest Hill history that a football team won the Homecoming game and the Palm Beach game. The win was the third Suncoast Conference victory in a row and earned the Falcons a tie for second place. Robbie Giardino won the "Athlete of the Week" Award.

An integral part of any successful athletic program is the select group of girls who promote school spirit and enthusiasm. These girls maintain a "B" average while devoting many hours of hard work and practice in order to cheer for Falcon teams.

The cheerleaders for the 1967-68 school year are Maggie Owen—Captain; Libby Owen—Co-Captain; Susan Miller; Judy Elfen; Jana Dickey; Lynn McVeigh; Patti Stahl; and Ilene Insler.

The cheerleaders are sponsored by Miss Mildred Crickenberger.

The Falcon squad missed graduate Glenn Winkler, but due to their playing experience Ken Stone, Don Mathis, and Mike Abufaris formed the nucleus of a basketball team that surprised many opponents. Playing in the Sun-coast Conference, which placed three teams in the State Top Twenty, the Falcons were able to muster a .500 record.

Once again, Coach Tom Cross was able to build a team that was respected by even the powerful conference leaders.

Coach Jim Heaton was out to keep the string of Suncoast Conference Baseball Championships alive at Forest Hill. The Falcons have won the title the last three years. Key men Coach Heaton counted on are Ron Ratliff, Ken Stone, John Adeimy, Eddie Evans, William Wilson, and Pat Hutchinson. It will be a tough job defending the title, but Coach Heaton is confident that these boys can do it.

Many people overlook a few sports during the Spring due to the presence of track and baseball. But to a handful of Forest Hill students tennis is the sport that they are concerned with. Under the able guidance of Frank Springer the boys and girls tennis teams will be seeking Conference championships. Boys and girls Coach Springer will be counting on are Richard Rampell, Albie Kozar, Pope Anthony, Georgia Holtgroewe, Susie Brier, JoAnn Rogers, and Gloria Barshell.

Coach Riggs

Another sport that is often overlooked is Golf. This year should be a good year for the golf team due to the number of returning lettermen. Coach Riggs' top prospects include Bob Bierley, Greg Sherman, Kathy Hansen, and Mary Yoakley.

## *Student*

The purpose of the Student Council is to provide a representative voice for the students of Forest Hill High School in striving for improvement of all phases of student life. Among the special projects of the year are a dance and the publishing of the student handbooks. The Council also provides hall monitors, ushers at assemblies, operates the bookstore, and supervises the student elections. This year the Forest Hill Student Council was privileged to serve as Vice-President of District Five of the Florida Association of Student Councils.

## *Civitan Club*

The Junior Civitan Club upholds its motto, "Builders of Good Citizenship," through devoted service to the community as well as the school. The Robert Watkins Memorial Scholarship is presented annually by this club to a deserving senior. The Surf Stomp helps to raise money for this purpose. Other events to raise money for this scholarship are the Civitan Candy Sale, and Claxon Fruit Cake Sale. One of this club's many projects was the maintenance and operation of the fountain and patio adjoining the cafeteria. At the annual convention in Miami Civitan International presents awards to the most productive Civitan Clubs in the state.

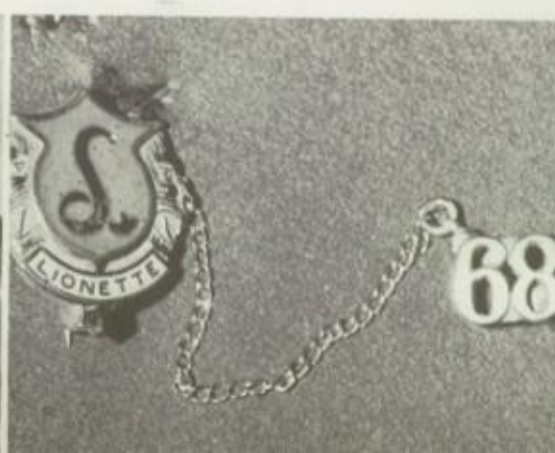

# Lionette Club

The Lionettes act as guides at the annual Orientation Day. They participate in homecoming with a float, skit, and selling of corsages. The Lionettes are responsible for the sale of Forest Hill sweatshirts. They hold the annual Christmas Teachers' Tea. They attend the Lion's Christmas Party for the blind. An annual last dance of the year is held by this club. The members make Easter basket favors for the children's ward. This year the Lionettes participated in a Powder Puff football game against the Z Club.

## Exchangette Club

The Exchangette motto, "Unity for Service," is displayed by the many worthwhile projects this club performs. The annual Thanksgiving Dance is sponsored by the Exchangettes. To raise money they hold a car wash and sell lollipops before the football games. They participate in homecoming with a float and skit. This club is responsible for the spring clean-up campaign. At Easter, baskets are made for children. At Christmas, they visit the old folk's home.

# Key Club

Key Club, an active boy's service club, is kept very busy throughout the year. The sale of the annual calendar helps to establish their \$450 scholarship which is given to a deserving senior. The Key Club also helps the beautification of the school by painting and repairing the school's benches. Once a month these boys go with the Keyettes Club to a church in Palm Beach County to establish a religious foundation. Even at Valentine's Day they are kept occupied—preparing for their annual Key Club Sweetheart Dance.

## Keyette Club #1

September is the starting of school and also the starting of activities for the Keyettes. At football and basketball games the girls rent comfortable back rest to the fans. During homecoming the Keyette and Key Club build a float. This year their float, *Kenya*, won first place. At Christmas time the preparation for the Keyette "Mistletoe Ball" is their main project. Throughout the year bake sales and car washes are held to establish a scholarship which the Keyette Club gives to a senior girl. As June ends the school year, the girls end activities by helping the teachers with their end of the year work.

The Singing Falcons participate in many school and civic functions. The activities of the group have been determined by a very able group of officers. Among the many activities in which the Singing Falcons represent Forest Hill are The One Thousand Voices program at Christmas, All State Chorus in January, County Choral Festival in the spring, District Contest and hopefully State Contest. Each year the chorus participates in programs presented to the student body at Thanksgiving assembly, Christmas assembly, Easter assembly, and graduation exercises.

ensembles, the Harmonettes and the Overtones. These groups perform with the chorus and also represent Forest Hill when a smaller group is required.

The Singing Falcons are students who are willing to work, and work hard to present the music to the best of their ability. Those who think the Singing Falcons is "all work and no play" are in error. Each year is started with a beach party for old and new members to get acquainted and reacquainted. Throughout the year numerous activities are enjoyed within the organization.

## CLASSES

# Class of 1968

Farewell, Forest Hill!

Congratulations!

We want to go; we want to stay;  
We'll really miss Forest Hill  
by night and day!

Our three years attending Forest Hill High School have created many warm and happy memories for us to carry away and to reminisce about in later years.

Leaving Forest Hill—our classmates, our teachers, our administrators, our fellow club members, our carefree high school days—as the Class of '68 is both a beginning and an end.

We leave our Alma Mater reluctantly but, at the same time, eagerly. We leave with the glow of anticipation on our entrance into an adult world of advanced study, of earning a living, of taking an active part in community life.

We remember when we arrived at Forest Hill as uncertain little sophomores practically afraid of our own shadows. Through that year we learned and matured.

We became more self-confident when we moved to the status of juniors. We participated in class activities and especially in the annual Magazine Drive, carried on to earn money to finance the annual Junior-Senior Prom. And wasn't our Prom a fabulous affair! As usual, the juniors, seniors, faculty members, and guests danced the hours away at the beautiful Flagler Museum Ballroom.

As Seniors we became the "P. C.'s" of Forest Hill, and we wielded our power to the fullest extent. No sophomore or junior dared consider cutting into our lunch line. Naturally, we got the sophomores off to a good start by honoring them at our "Get Acquainted" dance in September.

We weathered the crisis caused by the state-wide walkout of some teachers. Through the untiring efforts of those administrators and teachers who remained on the job, assisted by qualified substitutes, we were able to resume our interrupted classes shortly.

At this moment, we still have some memories to gather for future reminiscing and cherishing.

The annual graduation festivities will undoubtedly create a variety of emotions—joy, sadness, nostalgia, excitement, expectation.

Opening these end-of-high-school events will be the Sunday night Baccalaureate where we will hear a talk by one of our prominent local ministers. The annual Class Night program honoring outstanding seniors comes next in the graduation festivities.

Climaxing our high school careers will be the receiving of our diplomas at the June 7, Kettler Field Commencement, presided over by Principal F. O. Hobson.

Thus we end our high school days where we moved busily through our daytime classes and our afternoon and evening club, social, and sports activities.

Good-bye to Forest Hill and all the wonderful things it means to us—the members of the Class of '68.

We worked, we drove, and we succeeded in building a class worthy of praise.

Just like a car without wheels so would be the Junior Class without its never-tiring sponsors, spirited Student Council, and Junior Board.

As the new year began so too did a new magazine drive with all its hard work and long hours of walking and talking and praying.

We have gone through the seasons, the hot days and testing, the football games and autumn leaves, the Christmas spirit and sweaters, the smell of new growth and orchids of our Junior-Senior Prom.

The best of all was seeing the smiles of the Juniors and Seniors on Prom night, dining, dancing, and dreaming.

Forest Hill's traditional ring has been changed. The Junior Class was mainly responsible, which goes to show that our class has a mind of its own.

Our bright smiles began to fade, as we thought how our Junior year had come and gone so fast. The memories and results of our accomplishments have guided us through our years, making us eager to face our final year here at Forest Hill, with many more hopes and aspirations.

Junior Student Council Representatives: *Seated:* Toi Ahrens, George Pink, Gloria Barshell, Lora Elliott, Greg Sherman, Scott Davidson, Nora Elliott, Joel Daves, Beth Herrin. *Standing:* Debi Hamilton, Rolando Sanchez, Diane French, Chris Jones.

Junior Class Officers: Diane French, Treasurer; George Pink, President; Gary Thomas, Vice President; Beth Herrin, Secretary.

# Sophomores

For the sophomores, the dawn of high school days broke noisily over the horizon as the time drew nearer for the orientation program to begin. Each year it's much the same, the sophomores sitting and listening, slightly awed by the size of everything, watching those girls in the yellow blouses running around, all the unfamiliar people giving welcoming speeches and setting down the first of many rules and regulations. And then there's that bewildering classroom tour where a kid has to run all over the whole school searching for endless numbers and vacant rooms. But the newness soon wore off leaving familiarity, and the sophomores quickly entered into the spirit of class competition by accomplishing such awesome feats as beating the juniors in a "Poke the Wildcat" contest. Though the sophomores have little voice in the student government and little chance to belong to many of the clubs and activities, it is evident that the situation won't stay that way for long. This is the Class of 1970, the group that will graduate at the beginning of a fresh decade, and as they reach out toward the noon of their high school years, it seems to be their destiny that the sun will shine brilliantly on all they try to do.

## ADMINISTRATION

PRINCIPAL F. O. HOBSON

MR. HERSCHEL CHANEY  
Assistant Principal  
A.B. and M.A., University of Kentucky

*Handwritten signatures and notes:*  
A large, stylized signature in blue ink, possibly "Robert R. Johnson", is written over the caption for Mr. Chaney.  
To the right of the signature, the words "The Hawk" are written in a cursive script.

An expanding school system like Palm Beach County's demands a strong educator with experience, wisdom, and interest in control. This five-member group of local business and professional men, elected by the public to a four-year term is responsible for the operation of the schools according to county and state policy. The board members set the school policies, supervise the educational program, and issue contracts to personnel.

First row: Mr. Robert R. Johnson, Mrs. Sadie Grable, Dr. A. D. Thorp, Mr. Robert M. Hooker.  
Second row Mr. Robert W. Fulton, Superintendent, Mr. James R. Branch, Jr.

Mr. James W. Westbrook  
Dean of Boys  
B.S., Appalachian State Teachers College  
M.Ed., University of Mississippi

Personal advice and assistance may be received from Mr. James Westbrook, Dean of Boys, and Mrs. Violet Gunby, Dean of Girls. They deal directly with the student on such matters as attendance, conferences, explanation of school rules, and illnesses. The Deans are always willing to lend a helping hand, and they strive to overlook no student.

## Guidance Department

The Guidance Department provides many essential services. These services include information, orientation of new students, and the administering of the Senior Placement Test, PSAT, SCAT, and other examinations.

For the purpose of determining progress, the counselor plans one conference each semester with the individual student. This also gives the assigned counselor an opportunity to discuss with that student any questions or problems he may present concerning high school, colleges, or career.

The Secretaries work hand in hand with the administration and students. Their work is very essential and carried out with much efficiency.

## Business Department

Students find Business Education courses designed to meet their special needs. Many are planning for a career in the business world and are acquiring valuable terminal or pre-college training. Others are interested in personal typewriting or basic business education as aids in high school or college assignments.

Business Education teachers feel students should examine practices of business and industry before they make the final choice of business as a career.

A.A., Palm Beach Junior College  
B.S., Florida Atlantic University

## *Diversified Cooperative Training*

By combining a general and specific course under the DCT instructor with two academic courses, the student is able to fulfill his educational objectives during the year that he works for one-half day as a part-time employee for a local business firm.

As a result of this training, the DCT student gains understanding of what will be necessary in order to obtain permanent employment after graduation.

## *Cooperative Business Education*

The Clerical Business Education is an excellent program for students interested in working half a day and doing school work half a day. Students get excellent training in the field in which they are interested as well as first hand knowledge of the work itself.

As a new program this year, CBE has made a promising start.

Mr. Butler E. Wilson  
Social Studies Seminar  
Contemporary History  
Chairman, Social Studies Department  
B.S. and M.A., Appalachian State University

The main purpose of the Social Studies Department is to help each student gain new knowledge in the fields of American History and World History. The teachers in the Social Studies Department attempt to involve students in activities that relate knowledge learned in class to the present problems of American life today.

Forest Hill's history department punctuates the past to prepare for the future.

# Driver Education Department

The approach to classes of the Driver's Education Department is to educate prospective drivers about everything related to operation of automobiles, including proper attitudes and courteous habits.

Students study basic facts of the mechanical operation of a car. This study is followed by driving lessons. At the end of the year each qualified driver obtains his license.

Science today, in our rapidly changing world, presents a challenge to those who study it.

Courses in biology, physical science, chemistry, physics, and the new earth science courses attempt to prepare the student for the complexities of life. These fundamental studies offer a modern approach to the known as well as the unknown realms of science.

Through experimentation, a more realistic knowledge of the phenomena of nature is achieved, and thus, a better understanding of our environment is acquired.

Mr. Howard P. Langridge

English 4 and 4A  
B.S. and M.A., East Tennessee State University

The aim of Forest Hill High School's English, Journalism, Speech, and Drama classes is to improve reading, listening, and oral and written communication. This department provides basic skills to help the individual students to learn new skills. Many students have the opportunity to work on school publications.

An extension to the English Department, as well as the Art and Music Departments, has been the Humanities program. Students in this course become well versed in English literature, music, and art.

## Cafeteria Staff

Two lunch periods each day find the cafeteria staff ready with good food, efficient service, and happy dispositions. Plate lunches and *a la carte* dishes are served daily; sandwiches may be obtained at the snack bar.

The faculty has appreciated the cooperation of the staff in assisting with club dinners and parties held at the school.

## Custodians

Revealing their pride in our beautiful school and campus, our custodians strive to maintain our school grounds in excellent condition at all times. They make many needed repairs during the school year and work during the summer to place all facilities in first-class shape for the new year.

In addition to maintenance, the custodians assist with all of the affairs of the school, both to prepare and to clean up. They aid teachers by moving equipment, locating extension cords, and doing whatever is needed to accomplish the job.

The Gray Ladies at Forest Hill volunteer for a day's work in the clinic. The Gray Ladies serve the school in one of the greatest individual services, the Red Cross.

The services these women perform range from handing out band aids, patching wounds, and taking the names of those students too ill to stay in school to arranging for them to go home. The Gray Ladies have patience and are willing to give up their time to assist our students.

The School Traffic Officer is on duty both in the morning and in the afternoon to eliminate traffic jams and to prevent accidents.

He is also on duty for all athletic events and for all evening programs to insure the safe movement of traffic. His devoted interest makes him an integral part of school life.

an enjoyable class with  
your making sleeping positions,  
you also made some  
swimming practices enjoyable  
if that's possible.

This page is dedicated to Mr. Arnold Earnest. It is intended to give him a chance to demonstrate his skill in the artistic aspects of photography. For those interested in photography, Mr. Ernest (Frenchie) shot the picture with a Nikon camera on Kodak Plus-X film at f22, 1/200 second, using the available light in his dark room. Chris,  
 I'm sure  
 that when I  
 remember you'll  
 always be in my  
 mind. We really  
 had a lot of fun  
 together. I want  
 to thank you for  
 everything you've  
 done for me. I  
 really think you're  
 a good kid. I  
 don't think you

Even though  
it was never  
more than a friendship  
between us - it's been  
fun. I kind of wish I had  
stayed in the swimming team, but  
it was too much for me! (whew!)  
I wish you the best of luck  
in everything you do, & especially in  
college, remember me always and  
come back and see me next year.  
Congratulations on

"68"

- Chris -

Well, it's been one L-O-N-G year. It's been  
full of good times and bad times! But, somehow,  
we've both managed to make it! And now, we're  
almost out!

Chris, I hope you accomplish all you attempt in  
life. You should only be satisfied with the Best -  
you don't deserve any less. Keep your bright smile  
and personality, and you'll never find yourself  
alone. Keep your hopes, ambitions and standards  
high, and you'll always ~~be~~ have the best. May  
God bless and keep you, Chris, forever in the  
palm of His hand. Good luck always.

Love,

68

You're a really great guy  
 And wish you the best of luck  
 in the future. Remember our talks  
 about race cars & girls in C.O.P. We were  
 pretty lucky to be one of the 2 males in all those  
 females. You one of the good guys I'll remember.  
 Drafting buddy from your printing & future  
 to an alright guy its been  
 lots of fun knowing  
 you. Lots of luck in the  
 future.

To Irving Vansonowitch:

Well Chris, I reckon we finally made it through all the sweat, huh? Remember the Vero Beach Football game? Amanda's party? Wow!!! It's been great having you for a buddy as well as a neighbor! Being as I'm leaving for Atlanta & the Air Force this summer, I won't be seeing you much more so, just keep up your laugh and a smile on your puss and you'll always have a lot of friends!!!

AMF !!! Best of Luck —

P.S. I hope you always find what you're looking for in life (possy)!

Chris,  
remembering our  
great study hall!  
Hope you have a  
good summer & good luck  
in the future. (stay out of trouble  
with your car).

Chris,  
Remember our fabulous Business  
English class, and all the  
"groovy" times that we had.  
Good Luck in the future &  
I hope you continue to "enjoy"  
life.
